Criteria

Each applicant must meet the following criteria:

1. Be a member of a Ukrainian Orthodox Church and/or approved by the local parish priest. (If the applicant does not have the financial means to be a member of the parish but has been actively involved in the parish or community, then lack of membership does not preclude an application for the bursary.)
2. Be a student at a recognized program of learning.
3. Be able to demonstrate active involvement in the Ukrainian Orthodox Community. (Community involvement includes Ukrainian youth organizations such as Ukrainian summer camp, CYMK, etc.).
4. Be able to express or demonstrate how this award will benefit the applicant.
5. Be willing, if successful, to make a charitable donation to the Fellowship Bursary at such time as they become financially secure. This provision is to help maintain the Bursary for future students.
6. Be willing, if successful, to acknowledge receipt of the Bursary by explaining how it has helped them and how it benefits the Ukrainian Orthodox Community. The acknowledgement will be published.

It should be noted that the number and size of bursaries is dependent on the funds available in any given year and on the number of qualified applicants.
